THE MANAGER'S VIEW

— DOUG COLLINS

After our fine start to the season against Wollongong, we have lost the last two games both by the odd goal.

I must say those two defeats have been hard to take. Both games, in my opinion, should have resulted on at least draws but we didn't put away out chances, conceded silly goals and the end result was defeat in both games.

The situation this season has been very similar to the one I had at Marconi last season.

It took us a while for the team to knit together before the results started to come.

Make no mistake the talent is here. It's a case of blending the team together with a lot of hard work and patience.

Today's game against top of the table South Melbourne will be one of the three hardest games this season. South Melbourne is full of talented players and Len McKendry has built them into one of the most formidable outfits in the country.

Players such as Crino, Brown, Egan, Blair, Davidson rate as some of the best players in Australia.

We must attack the game positively and concentrate very hard to get the result we need.

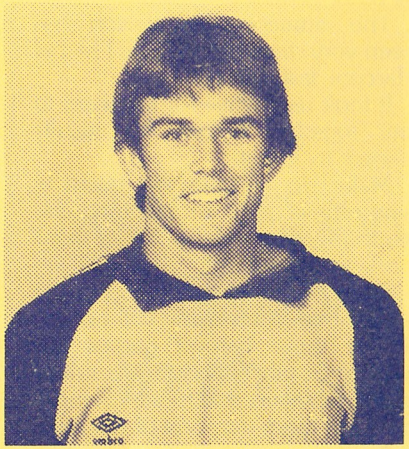
MEET THE ARROWS —

Tony Franken

Few, if any, NSL club is as well off for goalkeepers as the Canberra Arrows.

In Tony Franken and Chris Hummel, the Arrows have the best two young goalkeepers in Australia.

Both Chris and Tony represented Australia with the Young Socceroos in the World Youth Championship in Mexico last year and both played vital roles in Australia's success in qualifying and in the actual World Youth Cup itself.



• TONY FRANKEN

Tony hails from Western Australia whilst Chris is a local ACT boy.

Here are some of the personal details of two youngsters the Arrows are enormously proud of:

Tony Franken:

Born Perth 11 January, 1965 (Capricorn)

He is a student (Bachelor of Science specialising in Mathematics) and his previous clubs were East Fremantle Tricoloure and the AIS.

Has represented the national under 23 and youth teams and the Western Australian rep teams in both cricket and soccer. Won the Confederation of Sports "Outstanding Youth Individual Achievement Award " last year.

AND THE YOUNG ARROWS

Sydney City is his favourite other NSL club and he sees Marconi as the team to beat for this year's NSL title.

Pat Jennings is his favourite overseas player and he would like to become a full time goalkeeper coach once his playing days are over.

Tony is single and stands 181 cm and weighs 78 kg.

Chris Hummel

Chris Hummel was born in Essen West Germany on the 4th May, 1965 (Taurus).

He is a professional consultant with Integral Marketing which has its headquarters in the National Press Club, Canberra.

Played his junior football with Weston Creek Melrose, before joining the AIS, then playing a key role with the Young Socceroos World Youth Championship success last year.

Won 18 caps with the Young Socceroos and prior to that represented the ACT at under 12, 14, 15, 18, 19 and NSW under 12 levels.

Sydney City and Melita are his favourite other NSL clubs, possibly Saints are his team to beat for the championship and Sepp Maier and Rummenigge are his favourite world players.

OUR VISITORS: SOUTH MELBOURNE

Current leaders in the National Conference and favourites to win that division, South Melbourne comes to Canberra unbeaten. Like last week's visitors, Juventus, they scrambled a draw before coming north, when John Yzendoorn hit the equaliser last week in the final minute against Footscray. They had previously won 2-0 against both Heidelberg and Green Gully.

The cliche 'star-studded' is not out of place in describing South Melbourne. After matching fellow Greek club Sydney Olympic in the battle of the cheque books last season, South went one better this year, paying Green Gully $25,000 for striker Paul Lewis to partner Doug Brown and Charlie Egan at the front.

The South Melbourne midfield is hardly less distinguished, with Ken Murphy, a current socceroo, Oscar Crino, who is certain to be called up for national duty by Frank Arok, and the talented Carl Halford.

At the back Steve Blair, Bobby Russell and Yzendoorn are the three of the big names among defenders in Australian soccer, while keeper Peter Laumets is having a fine season.

The Arrows will expect a bumper crowd today to see the glamour team of the southern region, who will no doubt put the question to Doug Collins and his youngsters. Juventus surprised us last week with their quality. If South Melbourne are an even better team, it may be true that Melbourne is at last becoming the centre of Australian soccer.

As underdogs the Arrows performed spiritedly against South Melbourne last year. Each team won 2-1 away. Only in 1979 when we won 3-2 have the Arrows beaten today's visitors at Bruce. Last year's was our first win against them at Middle Park, their home ground.

In Len McKendry South has one of the league's most respected coaches. Last season he took over a team that had failed under Rale Rasic, and transformed them into near-champions. This year he may go even further. Certainly, McKendry's Heidelberg teams were the most complete footballing professionals to visit Bruce in earlier seasons.

The youthful Arrows will not let their coach or their supporters down today, as they strive to cut the tall southern poppies down to size. It all points to a good game, in which our visitors are entitled to favouritism, and we don't expect them to come with a negative attitude.

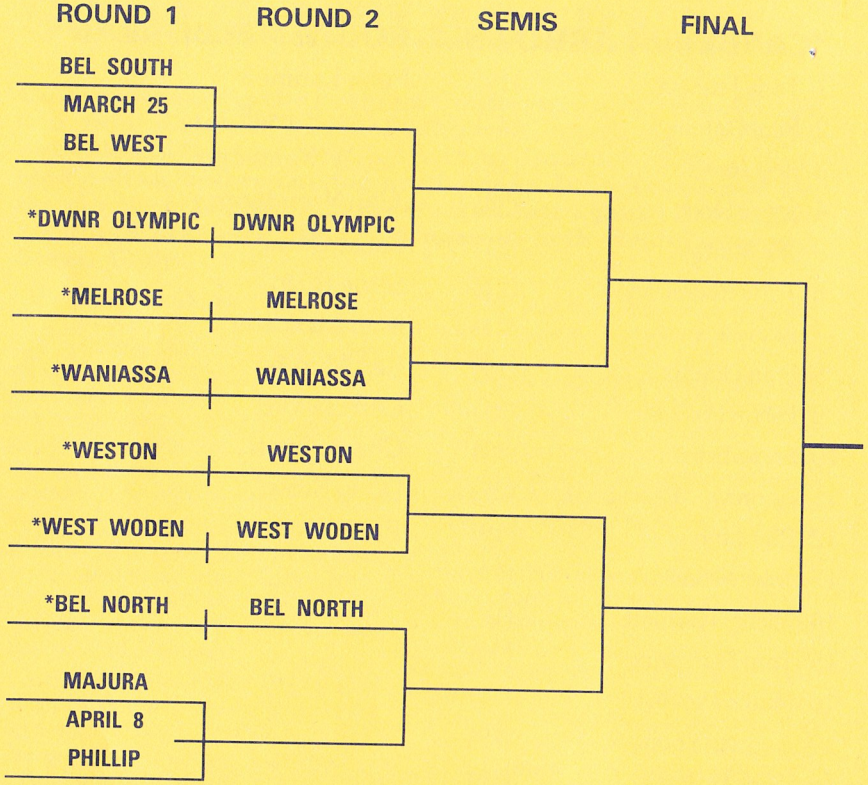
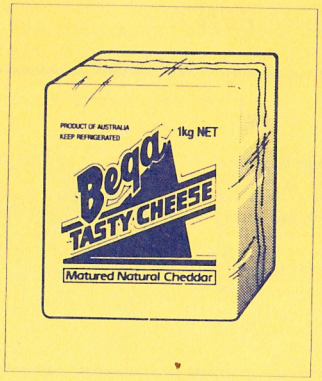
BEGA CUP



* DENOTES BYE, ROUND 1



The Bega Cup, sponsored by Bega Dairy Products will be a knock-out Cup for Under-12 teams from the A.C.T. These matches will be played for 15 minutes prior to all Arrows home games. Should there be a draw a shoot-out will take place at half-time of the main game to decide the winner. If there is a result in the 15-minute game before the main match, the two teams will still play an exhibition match at half time of the main game.

FROM THE YOUNG ARROWS

Firstly I would like to thank the Canberra Arrows for engaging me once again — this time in charge of the Young Arrows.

We've had two matches so far — a good 3-0 win over Wolllongong and then a 3-5 loss to St George, one of the best youth teams in Australia.

We made some silly mistakes against Saints and also had a man sent off and in these circumstances the Saints match gave some indication as to the potential of our team.

Of course the Young Arrows are delighted to have James Hardie Industries as its sponsor and we especially welcome Mr and Mrs James Kelso and Mr and Mrs Ron Bolton from James Hardie's Sydney head office to today's game.

I started the Young Arrows job five weeks before the first game of the season and we had 28 young players plus Braden Shields and Joe Gagetti who are slightly over the age limit (the youth team may play four "over age" players).

The squad has now been cut to 16 players including Joe and Braden.

The reason for retaining our two over age players is that they are good prospects and with one more year in the youth team they could well be in line for a place in the first team squad.

Also, as defenders, Joe and Braden add experience to our defence.

I am more than pleased with the development of the squad and I'm sure that in five or six weeks time we will be a good team with good individual players for the future.

Finally I would like to wish Doug and the first team every success and hope that Doug has the time necessary that every coach needs to produce the goods.

FEDERAL MEMBER FOR PERTH

8 March 1984

John Warren
C/- Canberra Arrows
Downer Olympic Soccer Club
Antill Street
DICKSON ACT 2602

Dear John

Hows life! Saw the Arrows on Sunday. Not a bad result.

At the game I lost my wallet containing a substantial amount of money and credit cards etc. I was delighted to receive a call from Ken Collins on Sunday night indicating it had been handed in.

I would wish to express my appreciation to the finder and indeed the Club for their honesty. In my mind it is a very good reflection on the soccer fraternity.

Best wishes to the Club for a good season. I'll be at the games whenever I'm in Canberra.

Thanks again.

Kindest regards

Ric Charlesworth.

RIC CHARLESWORTH MP
Federal Member for Perth

FOOTNOTE:

Dr Richard Charlesworth, apart from being a doctor of Medicine and Federal Member for Perth is also the Captain of the Australian Hockey Team which is highly fancied for a Gold Medal in the forthcoming Olympic Games in LA. The Arrows would like to thank the supporter responsible for returning Ric's wallet in addition to the comments made by Ric Charlesworth in the above letter.
